Schedule J, Part I, Line 3 - The Board has a Compensation Committee composed of independent Board members. As a result, certain employees will need to have an appropriate background in related technology industries in order to train adults with autism and supervise the development of their skills in technology so that they can participate in both internally-produced projects and projects under contract from outside companies. The Compensation Committee reviews comparable data from the technology industry, as appropriate, as well as data from the nonprofit industry, and brings a summary of its reviews and its recommendations to the full Board. The employee in question is absent from portions of the Board meeting during which there is a discussion of and/or vote regarding compensation. There is contemporaneous substantiation of the Board discussion and decisions. No salaries were reviewed by the Compensation Committee during 2021.
